Murray Tri-Hi-Y Gets Top Honor

The Tri-Hi-Y Club of Murray High School was named a "Triple A" club in the state at the 18th annual youth assembly at Lexington and Frankfort recently. The award was based on the club's earning 2,000 quality points, the maximum number under the scoring system.

The annual assembly sponsored by the YMCA was attended by approximately 560 delegates and advisors. The purpose of the meeting is to carry on a mock legislature. Every club attending submitted a bill concerning education.

Guest speakers at the assembly included Governor Bert Combs;

Wendell Butler, state superintendent of public instruction; and the executive secretary of KEA, J. M. Dotson.

The Tri-Hi-Y was further honored by the election of Patsy Spann, daughter of Mr. and Mrs. Cross Spann, as Clerk of the Senate for this year's Assembly, and the election of Marion Belote, daughter of Mr. and Mrs. Jack Belote, to the office of Clerk of the House for next year's assembly.

Also attending were Cecelia Wallace, daughter of Dr. and Mrs. A. D. Wallace, serving as senator, and Kaye Wallis, daughter of Mr. and Mrs. Laverne Wallis, serving as representative. Attending as adviser was Mrs. Allen Russell, co-sponsor of the club, who served as Clerk of the Court of Appeals at the 1960 Youth Assembly. Special recognition was given at the awards ceremony to all former cabinet members present.

Outstanding leadership awards were presented to David Driskill, sponsor of the Murray Tri-Hi-Y club, and Mrs. A. B. Austin, co-sponsor of the Murray Tri-Hi-Y.

Lakeside Cabin Of Vester Orr Burns

The lakeside cabin of Mr. and Mrs. Vester Orr burned to the ground Saturday morning about 11:00 o'clock. The cabin and all of its contents including appliances, TV, furnishings, fishing equipment, was lost.

The cabin was located between those of Gillard Ross and Noel Melugin, and was composed of living room, large bedroom, small bedroom, kitchen, bath and two porches.

Mr. and Mrs. Orr had been at the cabin the week before and were preparing to return when they got the call that the cabin was on fire. It is not known what caused the blaze.

Charles Dillon, who owns a cabin nearby, fought the blaze and prevented it from spreading. He raked leaves back from the area and brought water from the lake, otherwise the cabin might have been consumed in the blaze also.

The cabin was only recently bricked up part way and was in excellent condition. The loss was covered to some extent by insurance.

The south side of the city from Main Street south will be worked on Thursday, April 11th.

No Make-up On Saturdays Will Be Required For Time Missed

Calloway County schools will end their current term on May 29th and no make-up will be necessary on Saturdays to compensate for the days lost due to bad weather, Superintendent Burton Jeffrey told the county board of education last night.

But in order to teach the required 175 days and dismiss school on the 29th it will be necessary to have school on Monday Tuesday and Wednesday of the week set aside for spring vacation.

The week of April 14th is KEA week and school will turn out on Wednesday so teachers may attend KEA.

School finances took up a major portion of the board's time at its regular monthly meeting last night. The estimated budget from April 1st through June 30th indicates the general fund of the system will finish the year with a deficit near \$15,000. However a scheduled transfer from the capital outlay fund to the general fund is anticipated to enable the system to close the year's operation in the black.

The transfer has been scheduled for some time and is a re-payment to the general fund. Several months ago funds were transferred to capital outlay to pay for bleachers at the high school. The transfer of funds is a standard procedure with most systems.

It was pointed out at the meeting that the tight operation budget can be directly attributed to the high cost of pupil transportation. The state has approved \$75,205.94 as the approximate cost of pupil transportation for the year ending June 30th. But actual cost of the transportation of county pupils will exceed this figure by at least \$30,000.

The state figure is lower than actual cost because bus service exceeds state requirements. The state does not require buses to pick up children at their home who live within one mile of the main traveled road. Also the children who drive to school and those who live within one mile of school do not figure in the state calculations.

The board was informed of the state bids on school bus chassis and bodies for 48, 54, and 60 passenger buses. A Greenup Chevrolet alone has the state bid on 48 passenger units. The bid on the chassis alone is \$1901.50 and \$1946.50 for the body, a total of \$3848.00 on a complete unit.

A 54 passenger unit is approximately \$106 higher and a Louisville International Harvester dealer has bid the 60 passenger unit at a total cost of \$4,624.07.

If the Calloway County Board decides to purchase new units local bids will be called for. Should local bids be higher than the state bid the board will have the prerogative of accepting the state bid.

No funds are available under the current budget for the purchase of new buses and any units acquired would have to be bought with payment to be made in the new fiscal year.

Supt. Jeffrey told the board that

its boiler insurance will pay for repairs to the boiler at Calloway County High. The boiler system there suffered damage due to a malfunction of controls, he said.

Also the board has been instructed by the state to have an audit prepared on the school system this year. Law requires an audit to be made at least every two years but the state department insists an audit be made when the state has available funds for the cost-share expense.

The local audit is expected to cost approximately \$750 with the state bearing half of the expense.

Graduation day for high school students will be May 28th and May 27th for junior high school students. Calloway High will hold its class night exercises on May 24th and the baccalaureate service on Sunday, May 26th.

Juan Marichal And Tom Haller Boost The San Francisco Giants Back Into Victory Column

By DICK JOYCE

United Press International
Juan Marichal and Tom Haller, batterymates who played important roles in the San Francisco Giants' drive to the 1962 National League pennant, have boosted Al Dark's team back into the victory column—and it's a shame the Giant manager wasn't around to see it.

Dark was traveling to New York Monday to receive sportsmanship award when the Giants broke a six-game losing streak with a 4-3 victory over the Cleveland Indians at Santa Barbara, Calif. The Giants scored all their runs in the fourth inning, climaxed by Haller's two-run homer.

Dark's eyes would have sparkled at the performance of the high-kicking Marichal, who turned in disappointing efforts in two previous spring training appearances. Marichal, an 18-game winner last season, allowed only two hits and one run in six innings and struck

out nine Indians.

Three Hits For Mays

The Giants collected only six hits—three of them by Willie Mays—who led off the fourth inning with a single. Then Orlando Cepeda doubled, Felipe Alou tripled and Haller homered off Joe Schaffernoth.

Billy Pierce came on in the seventh inning and gave up a two-run homer to rookie Bob Lipisk of the Indians.

Veteran pitchers Robin Roberts and Bob Friend showed they're in mid-season form by firing four-hitters Monday. Although not going the full route, Joey Jay, Bill Stafford and Bob Shaw all turned in strong pitching performances.

Roberts, who hardly threw a ball in spring training last season before being out by the New York Yankees, pitched the Baltimore Orioles to a 6-1 victory over the Los Angeles Dodgers. The Orioles rapped out 11 hits, including Brooks Robinson's two-run homer.

Let's see their sixth straight loss, 4-1; the Washington Senators scored twice in the 10th inning to down the Milwaukee Braves, 4-2; the Los Angeles Angels defeated the Houston Colts, 5-1; homers by Ernie Banks and Ron Santo paced the Chicago Cubs to a 13-3 rout of the Boston Red Sox and the Philadelphia Phillies topped the St. Louis Cardinals, 5-4.

Jay permitted only five hits in seven shutout innings against the A's while Don Blasingame, Yada Pinson and Gordy Coleman led the Red attack. Stafford gave up six hits in seven innings for the Yankees, but wasn't picked for a run until the seventh. Mays suffered a severely pulled leg muscle while grabbing a fly ball in the fourth inning.

Shaw Looks Impressive
Jim King's two-run triple off Jim Constantine paced the Senators to victory. Shaw worked seven impressive innings in a losing cause for the Braves.

Leon Wagner homered and Don Lee and Julio Navarro combined on a four-hitter for the Angels. Cub pitchers Bob Buhl, Cal Koonce and Jim Brewer held the Red Sox to seven hits while Chicago blasted out 15 hits.

In other games, home runs by Roger Maris and Joe Pepitone earned the Yankees a 3-2 triumph over the Detroit Tigers; the Cincinnati Reds handed the Kansas City Athletics its victory.

JURY DECIDES THEIR FATE—Ralph and Iva Kroeger seem unconcerned in court in San Francisco as their murder trial jury files out behind them. The jury decided Mrs. Kroeger is sane, and then took up the task of deciding the Kroegers' fate in the first degree murder conviction for the strangulation of a Santa Rosa, Calif., invalid and his wife.

HELLO, WORLD—I THINK
I'M GOING TO MAKE IT!

When we first met Tommy he had lost all hope. He wouldn't even speak to us—let alone try to walk.

But hope is our business. So we coaxed and needed and loved him until he crawled out of his shell and stood up. Now he is walking, and talking, and full of hope.

Hope raises up crippled children. So does money. We've got hope. But we're looking to you for the money. Not a lot—just enough to put one kid one day closer to walking.

Garden Department Has Special Meet At Caldwell Home

The beautiful home of Mrs. W. D. Caldwell on Cardinal Drive was the scene of the Coke party held by the Garden Department of the Murray Woman's Club on Wednesday afternoon at three o'clock.

Mrs. James M. Byrn, chairman of the department, presided over a short business session and introduced the guest speaker, Bill Warren of Mayfield.

The speaker gave a most interesting and informative program on "The Basic Garden Sprays" for insects and control of plant diseases. He also discussed plant foods to make for a more beautiful garden and lawn.

A question and answer period followed his discussion.

During the social hour refreshments were served from the beautifully appointed table centered with an arrangement of spring flowers in the Easter motif.

Twenty-five members and two guests, Mrs. G. F. Dalton of Cleveland, Ohio, mother of Mrs. Caldwell, and Mrs. Ous B. McNeil of Murray, were present.

Hostesses for the afternoon were Mesdames Caldwell, C. O. Farmer, Edgar Price, and Donald Hunter.
